Exemption of payment of 10 per cent contribution on the cost of machineries of NRWS Scheme orders reg.—

READ :—

1 G. O. No. RDC 745 VRW 78 dated 21st November 1978.
2 Letter No. PHE/RHP/Defunct Sch/78-79 dated 7th December 1978 from the Chief Engineer, MI & PHE, (South), Bangalore.

PREAMBLE :—

In the G. O. cited at (1) above, it is ordered that 10% contribution which was hitherto being recovered on piped water supply schemes towards capital investment should be allotted for effecting repairs to the piped water supply schemes and that the 10 per cent contribution so paid by a Localbody will entitle them for all repairs to be effected to the water supply installations for a period of 5 years. It is also ordered that this arrangement will be for all new Schemes to be sanctioned and on ongoing schemes. Further it is ordered that in regard to old water supply schemes which have already been commissioned and are functioning, the local bodies concerned sholud be given the option of attending to the repairs of water supply installations themselves or they will have to pay a lumpsum amount of 10 per cent of the cost of the machinery and all repairs of the water supply schemes portaining to such local bodies will be attended to by the PHE Department for a further period of 5 years. The excessive expenditure over and above the 10 per cent contribution during the period of 5 years being met by the Government.

The Chief Engineer, MI & PHE. (South), Bangalore has stated in his letter cited at (2) above that there are a large number of defunct water supply schemes which have to be repaired immediately to bring them back to working condition. He has stated that the conditions imposed in the G. O. cited at (1) above that 10 per cent of the cost of machinery as per the rates prevailing at the time of effecting repairs will have to be got credited in respect of old water supply schemes for taking up repairs to such schemes for 5 years and this would discriminate from the new water supply schemes that are commissioned subsequent to the date of issue of the G. O. and hence the Government should withdraw the condition regarding the recovery of 10 per cent cost on the machinery in respect of the water supply schemes whether it is old or new, so that all the defunct water supply schemes can be repaired immediately and put into working condition.

ORDER No. RDC 885 VRW 78, BANGALORE DATED THE 19TH MARCH 1979

Government have examined the issue regarding recovery of 10 per cent contr bution on the cost of machinery in respect of the old water supply scheme commissioned prior to the issue of G. O. No. RDC 543 VRW 75 dated 30th August 1975 and hereby order that in the equity of justice, no recovery of further contribution on the cost of the mechinery should be recovered from the Village Panchayats/TPCs towards the old as well as new piped water supply schemes when once the 10 per cent contribution of the original estimated cost of the scheme is recovered.

This order will apply only to the schemes that are to be repaired subsequent to the date of issue of this G. O.

This order issues with the concurrence of the Finance Department *vide* its U. O. Note No. FD/576/Exp-II/79 dated 5th March 1979.

By Order and in the name of the Governor of Karnataka,
